Washington, DC 20515

Dear Colleague:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to China scheduled for April 23 to May 1, 2011, sponsored by the National Committee on United States – China Relations.

You must complete a Member Travel Disclosure Form and file it with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are required to attach a copy of this letter and the Private Sponsor Travel Certification Form, including attachments. You must also report all travel expenses totaling more than \$350 from a single source on Schedule VII of your annual Financial Disclosure Statement.

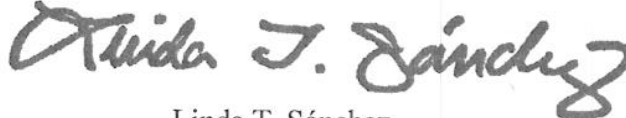

Because the trip may involve meetings with foreign government representatives, we note that House Members may accept, under the Foreign Gifts and Decorations Act, gifts “of minimal value [currently \$350] tendered as a souvenir or mark of courtesy” by a foreign government. Any tangible gifts valued in excess of \$350 received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

If you have any further questions, please contact the Committee’s Office of Advice and Education at extension 5-7103.

Sincerely,

Jo Bonner
Chairman

NCUSCR believes that it is critical for members of the House of Representatives to gain on-the-ground experience in China in order to better understand the complex relationship between our two countries.

17.

The goal of this program is for the Members to gain a better understanding of the current state of the military-to-military relationship between the U.S. and China, as well as to explore the current security issues that exist between the two countries. The three cities the delegation will visit, Beijing, Chengdu, and Qingdao, were selected because the military headquarters for their respective regions are located in these cities. NCUSCR has requested meetings with military officials, commandants of service academies, policymakers, businessmen, entrepreneurs and academics in each of these cities.
