<sup>1</sup> Although individual contributions were previously subject to an aggregate limit for the two-year election cycle, these limits were struck down by the Supreme Court's decision in *McCutcheon v. FEC*.

<sup>2</sup> A candidate's authorized committee may only contribute \$2,000 (not \$2,600) per election to another candidate's authorized committee, and may make unlimited transfers to party committees.

<sup>3</sup> This limit is shared by the DNC and DSCC.
