Terri

We were finally able to meet with Brass Light Gallery's owner on Monday, he had been out of the country for a while. Brass Light Gallery furnished all of the light fixtures for both the Lion and Hawley Houses. We met to review the light fixture options for the enlarged and new offices on the 2<sup>nd</sup> floor.

David was able to review the options available and select the fixtures for these spaces. Brass Light Gallery is in the process of producing these fixtures and will have them ready by the end of the week for install next week.

I have enclosed the invoice for these light fixtures.  
I thought it best to have you purchase these direct as opposed to billing this thru the contractor.  
This process is how we have done this in the past.

Hope everyone there is gearing up for the holidays and the construction isn't too much of an inconvenience.

If you have any questions let me know.

Steve
